**FIG 4A****About IDEA SPACE****What is Idea Space?****What does Membership entitle?****Where can I learn more about Idea Space?****What is Idea Space?****We use your ideas and ideas from other members to assemble marketable inventions****Idea Space is a cutting edge tool for use by inventive minds around the world who would like to share their ideas and watch them become profitable. Likewise Idea Space provides instant access to those who need these creative ideas. We create a win-win environment for everyone.****The net profit from the sale of each invention is shared by all consequential contributors.****What does Membership entitle?****As a member of Idea Space, you will have access to our vast database of pre existing ideas. You have the choice to invent and share your own latest ideas, or browse and build upon the latest ideas contributed by other members.****FIG 4B**

FIG 4A

FIG 4B

**At Idea Space we carefully watch the developments of our members ideas, and when appropriate we protect your rights by applying for a patent. The net profit from the sale of any patent is shared by all consequential contributors.**

**As a member you will have the option of staking your claim in these ideas the moment you realize value. Using our powerful search tools you have the opportunity to carefully monitor all ideas developing in your field or fields of interest. Find an idea you can use in your business? Want to make sure your competitors don't get exclusive rights? Bid for them first! Or they will.**

### **How to Participate**

**Participate by finding your niche..**

#### **Contribute Needs**

**Ever wish a product or procedure existed to help you accomplish something? Enter your need and let others attempt solving it**

#### **Contribute Solutions**

**Apply your inventiveness to solve the needs and problems already provided in the Idea Space Database**

#### **Contribute Problems**

**Apply your knowledge in your special interest to correct falacies within the database**

#### **Contribute Prior Art**

**Locate similar ideas existing in the known body of literature and incorporate these references in the idea trees**

#### **Breed Ideas**

**Use our sophisticated tools to help you combine two or more ideas into a new idea, help you brainstorm, or locate the latest areas of development**
